

German LNG
Terminal

Announcement

Expression of interest procedure has started

Brunsbuettel, 29th October 2019.

German LNG Terminal GmbH starts an expression of interest procedure to determine the interest (*Interessenbekundungsverfahren*) of market participants in the LNG terminal in Brunsbuettelas of 29th October 2019. Interested parties need to register to be able to participate in the procedure. After a successful registration and the signing of a confidentiality agreement, interested parties will be provided with additional information on the LNG terminal. Then, booking requests can be placed through the conclusion of a Heads of Agreement by 28th November 2019.

Registration

Interested parties need to register by **13th November 2019** to be able to submit a booking request. This also involves submitting a signed confidentiality agreement within the registration deadline.

Further information

On **14th November 2019**, German LNG Terminal will provide all registered interested parties with further relevant information on the LNG terminal, including the Heads of Agreement .

Booking requests

Registered interested parties can place booking requests through the submission of a duly signed Heads of Agreement by **28th November 2019**.
